

## KOREAN AMBASSADOR PEACE MEDAL RECOGNIZES VETERANS

### **KOREAN WAR VETS: “Not forgotten”**

For the past few years, the Consulate General of the Republic of Korea sought out Korean War veterans to honor and award an Ambassador for Peace Medal for their service and sacrifices during the Korean War.

This commemorative medal is an expression of appreciation from the Korean government to American servicemen and women who served in the Korean War. The Ambassador for Peace Medal was first presented to veterans as a special memento for those who returned to South Korea through the “Revisit Program”.

The honor has since expanded to veterans who cannot make the long journey to Korea.

*“We thank you for the difference you made and the legacy you have left generations of Americans and Allies around the world ... we are ALL forever in your debt.”*
