Welcome Committee, Pat Nash & Claudia met with Kristi Lancaster, Claudia & Maureen met Rich & Helena Laliberte

Women's Group to accept proposals for MOC building usage changes. Currently MOC usage for events open to Ranch Residents only. Recent Educational Opportunity was turned away as organizers wished to include neighbors from Trinidad Lake Estates. Original Task Force that created guidelines included Metro and Women's Group representatives. Concerns noted: liability, ranch road usage, security concerns, clean up, fees, possibly less availability for ranch residents. Short discussion of history and current thoughts. Possibly create a mechanism (form?) To request a MOC use exception for an educational offering that would be of mutual benefit to ranch/neighbors. Guideline change Proposals may be submitted to WG in writing prior to next meeting for discussion.

Claudia Henning suggested whatever usage rules are continued or adopted be better communicated to the residents including posting in the building and website.

Note: Any changes would need to be approved by Metro & POA boards.

Carol Rawle eggs for sale 1100

Other items from the group: Margaret Carone educated group about Future Generations Recycling-Monthly \$15 service, 2nd Tues./month pick up your recycling near the mailboxes. Website for more info: futuregenrecycling.com phone: 719-859-0872
